

Critical content for your organization and its survey process

2010 Ambulatory Care Accreditation Essentials

In San Ramon, CA

Feb. 23 7 a.m. – 4:30 p.m.

Feb. 24 7:30 a.m. – 4 p.m.

In Waltham, MA

Nov. 16 7 a.m. – 4:30 p.m.

Nov. 17 7:30 a.m. – 4 p.m.

This is your opportunity to learn from the experts and bring back information about updates and specific accreditation changes.

Intensive sessions with Joint Commission professionals will help you:

- Fully understand the accreditation process
- Assess your organization's compliance with standards
- Use proven compliance tips to succeed with even the most challenging standards
- Learn from interactive scenarios on data management, medication management, environment of care, and National Patient Safety Goals, based on actual survey observations
- Employ accreditation as a tool to enhance patient safety and improve operational efficiency

You will return to your organization with valuable, up-to-date tools, including checklists, easy-to-use forms, policies, and guidelines. All materials have been carefully prepared to help your accreditation team succeed.

2010 Accreditation Summit

In Lombard, IL

April 20 Noon – 4 p.m.

April 21 7:30 a.m. – 4:30 p.m.

April 22 7:30 a.m. – 4 p.m.

During the Summit

Accreditation tracks will be offered for hospitals, ambulatory care, behavioral health care, home care, laboratories, and long term care. Visit jcrinc.com to learn more.

Joint Commission Resources (JCR), a not-for-profit affiliate of The Joint Commission, is the official publisher and educator of The Joint Commission.

JCR is an expert resource for health care organizations, providing consulting services, educational services, and publications to assist in improving quality and safety and to help in meeting the accreditation standards of The Joint Commission. JCR provides consulting services independently from The Joint Commission and in a fully confidential manner.

Don't miss out!

These events are especially designed for individuals working in an ambulatory care setting and responsible for patient safety, quality improvement, and Joint Commission compliance, including those organizations considering first-time accreditation.

- Administrators
- Patient safety officers
- Chief compliance officers
- Risk managers
- Nursing managers and staff nurses
- Medical officers and physicians
- Joint Commission coordinators
- Others involved in direct patient care or survey compliance
