

Joint Commission accreditation fees are based on a combination of an on-site survey fee billed during the year of the organization's on-site survey and an annual fee billed in January of each year during an organization's accreditation cycle. Approximately 60% of the organization's total accreditation fees are due during the year of the on-site survey.

This document is a tool for your organization to calculate the estimated total fees, including the on-site survey fee and annual fees, for a 3-year period.

Step 1

Calculate your average daily census (ADC).

- a. Identify the number of active patients per day for a recent month. If the same patient receives home health and personal care and support services in that month, only count that patient once.
- b. Add the daily numbers together for that recent month.
- c. Divide "b" by the number of business days in that recent month. This is your ADC.

Step 2

Calculate your annual fee.

Find your ADC from Step 1 with the appropriate fee in the box below.
This is your annual fee:

ADC	Annual Fee
1-10	\$1,170
11-50	\$1,580
51-199	\$2,270
200 +	\$2,810

$$\text{\$ } \boxed{} \times \frac{3}{\text{accreditation cycle}} = \boxed{} \text{ This is your total annual fee}$$

Total Step 2

Step 3

Calculate your on-site survey fee.

a) The average length of an initial deemed status survey is 3 days, at a cost of \$3,760.

b) Additional branch fees will apply if you have more than one location.

Record any applicable branch fees in "b" to the right.

Miles from Main Site	Fee Per Additional Location
1-59	\$410
60-119	\$765
120-199	\$1,125
over 199 miles, first 10 branches	\$0
over 199 miles, 11+ branches	\$900

a) \$ 3,760

b) \$

Total Step 3 (a+b)

Step 4

Total accreditation fee estimate. Add Step 2 and Step 3.

Important items to note when estimating your fees:

- 1 This is not an official estimate.** Fee estimates are based on current published pricing and information about services and service volume provided by your organization. Changes to any of these factors as provided in your organization's application for survey may result in a change in your organization's on-site or annual fees.
- 2** Initial applicants must submit a non-transferable, non-refundable deposit of \$1,700 with the application for survey. This deposit is applied to any accreditation fees billed to the organization until the deposit is exhausted. Credit card payments are also accepted for deposit. To make a credit card payment over the phone, please call (630) 792-5662.
- 3** A pro-rated annual fee is billed at the beginning of the quarter after which an initial application is received.
