

Do You Qualify for Discounted Business Insurance Pricing?

[Manchester Specialty Programs Inc.](#) and The Joint Commission [have collaborated to provide a discount of up to 5%](#) off workers' compensation and professional liability insurance premiums for accredited home care and hospice organizations.

How much can we save? Qualifying* providers can save up to 5% on their insurance premium, which can significantly offset (or in some cases **completely cover**) the cost of accreditation. For example:

An agency with 3.5M in revenue and paying \$35,000 in annual workers' compensation premiums could save up to:

\$1,750

An organization with 11M in revenue and paying \$200,000 in annual premiums for workers' compensation insurance could save up to:

\$10,000

A company with 58M in revenue paying \$400,000 in annual premiums for professional/general liability and excess coverage could save up to:

\$20,000

More about Manchester Specialty: [Manchester Specialty Programs](#) offers a broad range of coverage for the home care and hospice industry, backed by a select group of highly rated insurance carriers, including coverage for workers' compensation, professional and general liability, as well as property, crime, auto/non-owned auto, abuse coverage and cyber liability.

Does my organization qualify? All Joint Commission-accredited organizations are eligible to apply for this benefit, and most importantly, can **access this high-quality insurance program through their own local insurance agent or broker of choice.**

Share this information with your local insurance agent, and ask them to obtain a competitive quote on your business insurance from Manchester Specialty today!

HOW MUCH COULD YOU BE SAVING?

*These pricing advantages are available where state regulators allow, and based on eligibility for each individual account.
