

## Previous eCQM Expert to Expert Webinars

In 2018-2019, The Joint Commission and the Centers for Medicare & Medicaid Services partnered on a series of Clinical Quality Language webinars to assist hospitals implement CQL for electronic clinical quality measures (eCQMs) for 2019 reporting. The series included a high-level overview on the basics of CQL, another session provided in-depth technical content regarding eCQM clinical quality language (CQL), the remaining sessions covered the specific CQL expression language and clinical logic for each eCQM that hospitals reported for 2019.

Notes: After clicking the [link to view a recording](#), you will be taken to the event landing page and will be required to enter registration fields before the recording begins.

Clicking the links for the follow-up documents may automatically download the PDF rather than open a new internet browser window.

\* Session addressed Joint Commission measures, CMS did not partner on session.
