

Distribution Guide – Speak Up About Vaccinations

SpeakUp™

ABOUT VACCINATIONS

This distribution guide is intended to help care providers in different care settings educate patients on vaccinations and when and for what they may be needed. The Speak Up resources are free to download and use. Infographic files can be downloaded directly from the [website](#), and links are available to download the video files.

Hospitals:

- Post the infographic in waiting rooms, by or inside elevators, and in the cafeteria or break areas.
- Include the infographic in admission packets.
- Feature the infographic in your hospital's newsletter or on your organization's website.
- Share the infographic and video at safety meetings and with your hospital's board of directors and other leadership groups.
- Hand out the infographic and play the video at community events, such as a health fair.
- Play the video in waiting rooms or treatment rooms.
- Run the video on patient televisions in their rooms.
- Provide the infographic to your customer advocacy department as a resource.

Ambulatory Care Facilities:

- Post the infographic in waiting rooms and in patient treatment and recovery rooms.
- Provide tabletop versions of the infographic as reading material in waiting rooms.
- Add the infographic to admission packets.
- Include the infographic or video link in any patient newsletters or other external promotional materials.

- Share the infographic and video at safety meetings and with your organization's board of directors and other leadership groups.
- Hand out the infographic and play the video at community events, such as a health fair.
- Play the video in waiting rooms or run the video on patient televisions in their rooms.
- Provide the infographic at any welcome desk for visitors.

Behavioral Health Care Centers:

- Post the infographic in public areas such as waiting rooms, hallways, elevators or elevator lobbies.
- Add the infographic to admission packets.
- Include the infographic or video link in any newsletters or other external promotional materials.
- Share the infographic and video at safety meetings and with your organization's board of directors and other leadership groups.
