Deletion of IC.02.04.01, EP 5

The Joint Commission has approved the following revisions for prepublication. While revised requirements are published in the semiannual updates to the print manuals (as well as in the online E-dition®), accredited organizations and paid subscribers can also view them in the monthly periodical The Joint Commission Perspectives®. To begin your subscription, call 800-746-6578 or visit http://www.jcrinc.com.

Please note: Where applicable, this report shows current standards and EPs first, with deleted language struck-through. Then, the revised requirement follows in bold text, with new language underlined.

APPLICABLE TO THE OFFICE-BASED SURGERY ACCREDITATION PROGRAM

Effective January 1, 2021

Infection Prevention and Control (IC) Chapter

IC.02.04.01

The practice offers vaccination against influenza to licensed independent practitioners and staff.

Element(s) of Performance for IC.02.04.01

5. The practice sets incremental influenza vaccination goals, consistent with achieving the 90% rate established in the national influenza initiatives for 2020.
